

A9 Oven & Grill Cleaner

Powerful alkaline formula removes stubborn deposits of burnt-on food and grease from ovens, hobs and grills.

- Effective removal of baked-on food
- Foaming formulation for powerful cleaning action
- Removes grease and carbon deposits
- Suitable for ovens, hobs & grills

FOR PROFESSIONAL USE ONLY. Always wear suitable protective gloves and eye protection when using. Turn off oven or equipment and allow to cool to 40° or below. Apply Oven & Grill Cleaner liberally to surfaces to be cleaned and allow to dwell between 5-30 minutes, depending on level of soil. Then use a cloth or brush to work in the cleaner. Rinse or thoroughly wipe all cleaner and debris from surfaces and ensure surfaces are fully dry before using equipment again. Use frequently to maintain equipment and ensure optimum performance.

QUALITY ASSURANCE:

This product is manufactured in the UK by Orca Hygiene Ltd. Produced under ISO9001 Quality Management System and ISO 14001 Environmental Management System.

CONTAINS: Sodium hydroxide; caustic soda. <5% Anionic surfactants
