

B12 Thin Bleach

Highly concentrated thin bleach formulation gives powerful cleaning and disinfectant action. Use in toilets, drains, washrooms and, when diluted, for stain removal, general disinfection and cleaning.

- Concentrated formulation
- Ideal for multiple cleaning and disinfection uses
- Kills 99.99% bacteria
- Removes stains from bleach-resistant surfaces

FOR PROFESSIONAL USE ONLY. Always wear suitable protective gloves and eye protection when using this product. Avoid inadvertent contact with textiles and delicate surfaces.

Use neat to clean and disinfect toilets, urinals, sinks and drains.

For bleaching laundry: dilute 1:200 and soak for 6-12 hours.

For hard surface cleaning: dilute 1:50. Apply using trigger spray or mop. Rinse or wipe with a clean damp cloth.

For stain removal from bleach-resistant hard surfaces: always test on a small inconspicuous area before using. Dilute between 1:5 and 1:50 to remove stains from crockery, tiles and grout, and hard plastic surfaces.
