## Odour Neutraliser Concentrate

Powerful formulation neutralises unpleasant odours at source. Ideal for control of odours in waste bins, washrooms, changing rooms, nursing homes and schools. Available in three fragrance variations.

- Neutralises odours at source
- Freshens and cleans
- Suitable for multiple odour control duties

Always test on an inconspicuous area before use. For deodourising and cleaning carpets, upholstery, hard surfaces, floors etc: dilute with clean, fresh water between 1:20 and 1:80 depending on the level of odour control required. Use stronger solutions or neat product as required to neutralise even the toughest odours.
