made in the UK

enhanced biodegradability

Certified to EN1276, EN13697 and EN14476.

Always use clean, fresh water to make up solutions. Discard unused solutions after 1 week. To ensure disinfection on heavily soiled surfaces, use the solution to clean excess dirt away first, then reapply.

Dilute 1:100 for regular hygienic cleaning with antiviral and antibacterial action. For full disinfection (EN14476 virucidal against enveloped viruses, EN1276 bactericidal) dilute 1:50. Use disinfectants safely. Always read the label and product information before use.

QUALITY ASSURANCE:

This product is manufactured in the UK by Orca Hygiene Ltd. Produced under ISO9001 Quality Management System and ISO 14001 Environmental Management System.

CONTAINS:

BENZALKONIUM CHLORIDE 3.2%, Isotridecanol ethoxylated (8-EO), fragrance
