

S29 Lemon Disinfectant Concentrate

Powerful disinfectant cleaner concentrate with a pleasant fresh lemon fragrance. Ideal for regular cleaning and disinfection of any washable hard surface. May also be used for disinfecting and deodorising soiled carpets and upholstery when used with a wet vacuum.

- Kills 99.999% Bacteria
- Safe for all hard surfaces
- Freshens and cleans

Certified to EN1276.

Always use clean, fresh water to make up solutions. Discard unused solutions after 1 week. To ensure disinfection on heavily soiled surfaces, use the solution to clean excess dirt away first, then reapply.

SURFACE CLEANING & DISINFECTION

For disinfection, prepare a solution with 1 part concentrate to 30 parts clean water. May be used stronger if required. Apply using trigger spray, mop or cloth and wipe clean. For freshening soiled carpets, remove heavy soiling or absorb spillage first, then apply disinfectant solution. Allow to dwell for at least 5 minutes before removing excess with a wet vacuum.
