

S44 Washroom Cleaner Concentrate

Super concentrated cleaner and disinfectant for toilet and washroom areas. Powerful action against limescale marks and washroom soils. Cleans and shines all surfaces to leave a gleaming streak-free finish.

- Cleans & sanitises all washroom surfaces
- Removes watermarks & prevents limescale build-up
- Kills 99.999% bacteria

Dilute as above and apply to surfaces. Allow to dwell briefly before wiping clean. For disinfection, first clean soiled surfaces with the solution, then reapply and allow 5 minutes contact time before wiping. Dosage may be increased for heavy scale. Discard unused solutions after 1 week.

Refilling: when your dosing bottle is empty, refill using **S44 C500 CT 5L refill bottle**. Unscrew the cap from your dosing bottle. Using a gloved finger, depress the valve inside the neck of the dosing bottle until it clicks. Then fill the dosing bottle and screw the cap back on firmly.
