

We care about clean.™

**S191**

## ADVANCED+ SURFACE SANITISER CLEANER CONCENTRATE

This non-tainting, bleach free formulation is safe for use on food contact surfaces. Powerful disinfectant action kills 99.999% of germs. Certified to EN1276, EN13697 and EN14476.

- Kills 99.999% bacteria
- Ideal for food preparation areas
- Cleans and disinfects
- Non-tainting and fragrance-free

Always use clean, fresh water to make up solutions. Discard unused solutions after 1 week. To ensure disinfection on heavily soiled surfaces, use the solution to clean excess dirt away first, then reapply. For food contact surfaces, rinse surface with clean water or wipe off with a clean damp cloth after disinfection.

Dilution ratio 1:100 (10ml per 1L). Apply using trigger spray, mop or cloth. For disinfection, allow to work for 30 seconds.

Use disinfectants safely. Always read the label and product information before use.
